

# **MONTANA MASTERS RECORDS**

(February 13, 2015)

## **Requirements for Records**

1. Must be achieved by a currently registered “annual” Montana Masters swimmer. Single event athletes will not count toward LMSC records.
2. Must be achieved in USMS sanctioned or recognized events.
3. Must be achieved in pools conforming to USMS article 107.2.1 regarding pool certification.
4. Splits will be allowed under the following conditions:
  - a. Recorded by fully automatic timing.
  - b. The request to have the split considered is brought to the attention of the Meet Director in writing prior to the conclusion of the meet.
  - c. The swimmer completes the entire event without disqualification. Relay lead-off split may be considered as long the lead-off is not the “disqualifying” swimmer.
  - d. Split times must be recorded separately by the Meet Director and submitted to the Montana Swimming Records Recorder.
5. Records shall require automatic timing, semi-automatic timing with three buttons, or manual timing with three watches.
6. Records set outside the State of Montana shall be submitted by the record setter OR by the pertinent Meet Director to the Montana Swimming Records Recorder in a timely fashion.
