

Chronicle of Retroactive Corrections to Montana LMSC Records

4/14/18

It was discovered that four **SCY** records held by Vinus Van Baalen in the **M65-69** age group are not valid. All four performances came from the 2011 Montana Senior Olympics, but as noted in the Montana Senior Olympics Records at <http://montana.fusesport.com/mlink.asp?id=1831&menu=15989>, Vinus was a resident of Edmonton, Alberta (Canada) at the time, and a registration history search with U.S. Masters Swimming shows that Vinus was a member of the San Diego Swim Masters in 2011. Using the last version of the records before the 2011 meet (5/2/11) in combination with the All-Time USMS Top Times tool, the following corrections were made:

- 50 free (:26.55) corrected to Roger Clifton, 2003, :28.25
- 100 free (1:02.32) corrected to Roger Clifton, 2006, 1:03.72
- 50 back (:32.69) corrected to Paul Landes, 4/7/18, :33.48
- 50 fly (:31.40) corrected to Paul Landes, 4/8/18, :33.69
